CERTIFICATION UNDER 37 C.F.R. §3.73(b)

New York University, a non-for-profit organization, having a place of business at 70 Washington Square South, New York, New York 10012-1091, certifies that it is the assignee of the entire right, title, and interest in and to the above-identified patent application, by virtue of an assignment from the inventor(s) to New York University recorded in the Patent and Trademark Office at Reel 9061 Frame 0109.

The undersigned certifies that she has reviewed the foregoing assignment and that to the best of her knowledge and belief New York University is the owner of all right, title and interest in U.S. Patent Application Serial Number 09/013,490.

The undersigned is empowered to sign this certificate on behalf of the assignee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the applications or any patents issued thereon.
